## HSM Covid-19 home-school remote learning agreement

### Our school will:

- Provide remote learning that allows your child to access as much of the curriculum as possible
- Continue to nurture your child through regular contact to ensure that they are happy, safe and well
- Endeavour to support you with any technical difficulties that you may be experiencing
- Respond to any concerns you may have in a timely manner, within school hours
- Make alternative arrangements if your child can't access remote learning

### I, as a parent/carer will:

- Do my best to support my child to complete any remote learning work set for them, and get in touch with the school if this won't be possible for any reason
- Ensure that any document uploaded by the teacher does not get moved to another location or edited
- Ensure that any queries I have regarding my child's academic tasks are directed to the class teacher within school hours
- Offer understanding and support to teachers who, as key workers, are continuing to provide care and routine for my child in these difficult circumstances
- Not utilise parent WhatsApp groups to provide a negative commentary of the school
- Only use the agreed channels to communicate with staff and ensure that my child does the same
- Monitor my child's use of Teams and what they are posting onto it
- Not compare HSM with other schools. All schools are operating under different circumstances.
